June 2005 - Early Action Compact Progress Report
Anderson County

1. In an effort to keep our contact information updated; please provide the following information for your county:

	Name	Telephone	E-mail Address
Administrator/Manager	Joey Preston, Anderson County Administrator	864.260.4000	jpreston@andersoncountysc.org
EAC contact	Vic Carpenter, Environmental Services Director	864.260.1001	vcarpenter@andersoncountysc.org

2. Please complete the attached Ozone Awareness Week checklist so that we will know which activities you did to promote awareness.

3. List any progress (if applicable) since your December 2004 submittal? (stakeholder meetings, events held; special projects, fleet Changes, Energy Star products purchased, Tree City USA, TABFTE, etc.)

- **In February, The County's first electric truck stop was placed into operation. The truck stop, located on I-85 at Exit 27, has several ports that truckers can shut down their vehicles and use electricity to power their amenities within their vehicle.**
- **Passed a countywide resolution to purchase, whenever feasible, cars that are alternatively fueled or hybrid vehicles.**

4. Do you have any plans to implement additional strategies and/or education and outreach activities during the 2005 ozone season? (It's not too late to use Ozone Awareness Week ideas!)

- **County is proceeding with the purchase for the FY 2005-2006 year of alternatively fueled vehicles and hybrid vehicles for departmental use.**
- **County is coordinating with DHEC to hold a gas can exchange program to encourage the use of ventless gas cans.**

5. Do you have any requests for specific assistance from the Department and/or the EPA?

- **At this time, no.**

What did you do?

Ozone Awareness Week 2005

Prior to Ozone Awareness Week (March 28th- April 1st), we provided the following outreach materials. Please check the initiatives that you did and explain to what extent you did them. If you did more, please include those items at the bottom. Also, if you have plans to use any of these materials during the 2005 ozone season, please include that information as well. Thanks for all of your hard work in making the 2005 Ozone Awareness Week a success!

- ☐ Posters (3 different)

Explain: _____

- ☐ Ozone and Your Health brochure

Explain: Brochures were displayed at the County booth at Freedom Weekend Aloft, an annual event held Memorial Day weekend that attracts between one hundred and two hundred thousand people over the 4-day event.

- ☐ Display?

Explain: _____

- ☐ Season bookmarks in employee paychecks

Explain: _____

- ☐ "Do Your Part to Spare the Air" blue bookmarks in employee paychecks

Explain: _____

- ☐ Link to ozone forecast available on county web site

Explain: In April, a link to the DHEC ozone forecasting webpage was added to the County's home page, located at <http://www.andersoncountysc.org>. In addition, we investigated the possibility of adding a javascript, RSS or XML direct feed to the page, but after further investigation, we determined that it was not feasible at this time.

- ☐ Coloring book

Explain: The coloring books were displayed at the County booth at Freedom Weekend Aloft, an annual event held Memorial Day weekend that attracts between one hundred and two hundred thousand people over the 4-day event.

- ☐ "DRAFT" Press Release

Explain: In late March, we used the draft press release in creating our own press release explaining Ozone Awareness Week, the difference in "good" and "bad" ozone, and what citizens could do to reduce ozone emissions.

- ☐ Proclamation from Governor to be distributed

Explain: _____

- ☐ List of 25 things you can do to spare the air... flyer

Explain: This list was included in the press release distributed to local news outlets as well as displayed on the County website, located at <http://www.andersoncountysc.org>.
